

MODEL	DESCRIPTION	RRP inc GST
Brushes		
	FLFB - Brite Brush Brite create a hard, driving sound with tremendous presence all round the kit.	\$32.99
	FLFC - Classic Brush Fine flexible fibers, push-pull retraction and covered extra-long handles for a 'traditional' style brush. Features cymbal 'zing pin'	\$37.99
	FLFJ - Jazz Brush Resilient fibers, superb balance, light fast response and surprising cymbal clarity, combine to satisfy the full range of technical expression.	\$32.90
	FLFR - Rock Brush Similar in balance and dynamic facility to the Jazz brush, but with 60% more fibers producing more 'punch' from greater weight.	\$32.99
Sticks		
	FLFS - Fiber Sticks Orange Thick, resilient fibers and adjustable tone rings produce a superb range of "unplugged" sounds.	\$37.99
	FLFSB - Fiber Sticks Black & Orange A heavier stick, with thicker fibers, produced to meet the demand for a louder, harder, sounding stick.	\$37.99
	FLFUH - Fusion Sticks+Tip Heavy Black and Pink Tips Heavy lay down a solid, "flat" sound. No need to reach for sticks in those louder passages!	\$39.99
	FLFUL - Fusion Sticks+Tip Light Yellow Producing a light, tight sound. Tips Yellow can accent and punctuate without overpowering.	\$39.99
	FLFUM - Fusion Sticks+Tip Medium Blue Similar to the popular Orange Fiber Sticks, but with a small tip for sharper response from snare and cymbals.	\$39.99
	FLFUR - Fusion Sticks+Tip Rock Black Used by several heavy rock drummers for a hard driving sound. 'A total blast'.	\$39.99
