

MODEL	DESCRIPTION	RRP inc GST																											
Blaster Snare Wires																													
	<p>Blasters Series snare wires are professional quality snares developed for high volume, high intensity drumming. They feature specially formulated, premium-grade steel-alloy wires on angled, copper-colored end clips. The exclusive bent end clips create greater snare wire contact across the entire surface of the drum head, offering increased activity, consistency, response and projection.</p>	<table border="0"> <tr> <td>PUB1220</td> <td>1220S Blaster Snares - 12", 20 strand</td> <td>\$36.99</td> </tr> <tr> <td>PUB1320</td> <td>1320S Blaster Snares - 13", 30 strand</td> <td>\$36.99</td> </tr> <tr> <td>PUB1420</td> <td>1420S Blaster Snares - 14", 20 strand</td> <td>\$37.99</td> </tr> </table>	PUB1220	1220S Blaster Snares - 12", 20 strand	\$36.99	PUB1320	1320S Blaster Snares - 13", 30 strand	\$36.99	PUB1420	1420S Blaster Snares - 14", 20 strand	\$37.99

Custom Pro Snare Wires																													
	<p>Custom Pro snare wires are the ultimate in ease-of-use. Anti-choke™ end plates significantly reduce annoying snare buzz and also allow the player to crank up their snare tension without choking the drum. Speed Release™ straps allow the player to disengage the snare wires without releasing the straps from the strainer or butt clamps, enabling quick and easy head or wire changes.</p>	<table border="0"> <tr> <td>PUCPB1320</td> <td>13" Custom Pro Brass 20 Strand</td> <td>\$44.99</td> </tr> <tr> <td>PUCPB1324</td> <td>13" Custom Pro Brass 24 Strand</td> <td>\$44.99</td> </tr> <tr> <td>PUCPB1420</td> <td>14" Custom Pro Brass 20 Strand</td> <td>\$44.99</td> </tr> <tr> <td>PUCPB1424</td> <td>14" Custom Pro Brass 24 Strand</td> <td>\$44.99</td> </tr> <tr> <td>PUCPS1320</td> <td>13" Custom Pro Steel 20 Strand</td> <td>\$44.99</td> </tr> <tr> <td>PUCPS1324</td> <td>13" Custom Pro Steel 24 Strand</td> <td>\$44.99</td> </tr> <tr> <td>PUCPS1420</td> <td>14" Custom Pro Steel 20 Strand</td> <td>\$44.99</td> </tr> <tr> <td>PUCPS1424</td> <td>14" Custom Pro Steel 24 Strand</td> <td>\$44.99</td> </tr> </table>	PUCPB1320	13" Custom Pro Brass 20 Strand	\$44.99	PUCPB1324	13" Custom Pro Brass 24 Strand	\$44.99	PUCPB1420	14" Custom Pro Brass 20 Strand	\$44.99	PUCPB1424	14" Custom Pro Brass 24 Strand	\$44.99	PUCPS1320	13" Custom Pro Steel 20 Strand	\$44.99	PUCPS1324	13" Custom Pro Steel 24 Strand	\$44.99	PUCPS1420	14" Custom Pro Steel 20 Strand	\$44.99	PUCPS1424	14" Custom Pro Steel 24 Strand	\$44.99

Custom Snare Wires																													
	<p>Custom Series wires feature medium-gauge wire with evenly spaced, coils. The Custom line offers different strand configurations that can be employed to change the balance between the drum and snare parts of the sound. More strands allow the snares to be more active in influencing the sound while those with less strands allow the drum to be more prominent in the overall drum sound.</p>	<table border="0"> <tr> <td>PUP1016</td> <td>1016S Custom Snares - 10", 16 strands</td> <td>\$49.99</td> </tr> <tr> <td>PUP1216</td> <td>1216S Custom Snares - 12", 16 strands</td> <td>\$54.99</td> </tr> <tr> <td>PUP1220</td> <td>1220S Custom Snares - 12", 20 strands</td> <td>\$54.99</td> </tr> <tr> <td>PUP1316</td> <td>1316S Custom Snares - 13", 16 strands</td> <td>\$54.99</td> </tr> <tr> <td>PUP1320</td> <td>1320S Custom Snares - 13", 20 strands</td> <td>\$36.99</td> </tr> <tr> <td>PUP1416</td> <td>1416S Custom Snares - 14", 16 strands</td> <td>\$37.99</td> </tr> <tr> <td>PUP1420</td> <td>1420S Custom Snares - 14", 20 strands</td> <td>\$52.99</td> </tr> <tr> <td>PUPF1416</td> <td>1416S FFS Custom Snares - 14", 16 strands</td> <td>\$79.99</td> </tr> <tr> <td>PUS1430</td> <td>1430S Custom Snares - 14", 30 strands</td> <td>\$79.99</td> </tr> </table>	PUP1016	1016S Custom Snares - 10", 16 strands	\$49.99	PUP1216	1216S Custom Snares - 12", 16 strands	\$54.99	PUP1220	1220S Custom Snares - 12", 20 strands	\$54.99	PUP1316	1316S Custom Snares - 13", 16 strands	\$54.99	PUP1320	1320S Custom Snares - 13", 20 strands	\$36.99	PUP1416	1416S Custom Snares - 14", 16 strands	\$37.99	PUP1420	1420S Custom Snares - 14", 20 strands	\$52.99	PUPF1416	1416S FFS Custom Snares - 14", 16 strands	\$79.99	PUS1430	1430S Custom Snares - 14", 30 strands	\$79.99

Equalizer Snare Wires																													
	<p>Equalizers feature an off-set design that removes the strands from the middle of the drum—in effect decreasing the vibration of the wires. Not only is the snare drum drier and crisper with an Equalizer, it is less influenced by sympathetic vibrations from other drums and instruments.</p>	<table border="0"> <tr> <td>PUE1216</td> <td>1216S EQ Off Set Snares - 12", 16 strands</td> <td>\$69.99</td> </tr> <tr> <td>PUE1316</td> <td>1316S EQ Off Set Snares - 13", 16 strands</td> <td>\$62.99</td> </tr> <tr> <td>PUE1416</td> <td>1416S EQ Off Set Snares - 14", 16 strands</td> <td>\$39.99</td> </tr> </table>	PUE1216	1216S EQ Off Set Snares - 12", 16 strands	\$69.99	PUE1316	1316S EQ Off Set Snares - 13", 16 strands	\$62.99	PUE1416	1416S EQ Off Set Snares - 14", 16 strands	\$39.99

Vintage Snare Wires																													
<p>Also available are PureSound's Vintage Series snare wires, which are designed not only to replace worn and no longer available wires on vintage snare drums, they are also designed to enhance the performance of those classic drums. With a new set of PureSound wires, Dynasonics, Radio Kings, WFLs and Super-Sensitives will sound and perform as well, if not better, than they did when they were new. Contact Intermusic for more information on PureSound's Vintage Series.</p>
